#### SUPPLEMENTAL/ BID BULLETIN NO. 2

Project No. 2022-002-G

This Supplemental/Bid Bulletin is issued to clarify items in the issued Bidding Documents for the **School-Based Feeding Program (SBFP) Additional Feeding Days for FY 2022 (Project No. 2022-002-G).** The following are the issues and concerns discussed during the Pre-Bid Conference on April 7, 2022, 10:00 am and the clarifications thereon:

QUERY	CLARIFICATIONS
1. Can a bidder submit Contract for the Supply and Delivery of Groceries and Milk products as supporting document for Single Largest Completed Contract (SLCC) for the project?	DepEd Order No. 23, s. 2020 provides guidelines in the implementation of SBFP which shall have two (2) components namely: the regular component (i.e, nutritious food products) and the milk component (i.e. fresh/sterilized milk).
	Project No. 2022-002-G focuses mainly on the regular component-nutritious products.
	The SLCC requirement under Section 23.5.1.3 of the revised Implementing Rules and Regulations (IRR) of Republic Act (RA) No. 9184 states that it is the responsibility of the Procuring Entity (PE) to clarify in the Bidding Documents what projects can be considered similar to the contract being bid out, for purposes of determining compliance with the SLCC requirement.
	Thus, it is entirely within the discretion of the PE whether to consider a project as being similar or not similar in nature and complexity to the project being bid out. [A] contract shall be considered "similar" to the contract to be bid if it involves goods or services of the same nature and complexity as the subject matter of the project being procured.
	Hence, similarity of contract should be interpreted liberally in the sense that it should not refer to an exact parallel, but only to an analogous one of similar category.
